The purpose of this appointment is to stimulate collaborations among the participants in the research theme of multi-targeting and poly-pharmacology, starting from the MC members and substitutes of the COST Action MuTaLig.

The location selected for this first meeting is the beautiful city of Lugano, centrally located in middle of Europe. The conference will be held at the Università della Svizzera Italiana, in the two full days: **July 21st and 22nd 2016**. The local organizers are the MC members from Switzerland Prof. Vittorio Limongelli and Dott. Eugenio Gaudio.

The venue of the conference is the aula Magna, located in Via Giuseppe Buffi, Lugano (CH).

The participation is free (no fee), but limited to 100 participants.

The participants can apply for short talks and poster communications filling and sending the abstract form to mutaligcostaction@gmail.com within next **June 5th 2016**.
