

MuTaLig COST ACTION CA15135
WG meeting 2016
Budapest (HU), Nov 19-20 2016

First Circular

1st WG meeting – MuTaLig COST Action

Hotel Novotel Budapest Danube - Budapest, November 19-20 2016

POLY-PHARMACOLOGY EXPANDING PAUL EHRLICH'S MAGIC BULLET CONCEPT

Dear Colleague,

It is a great pleasure for me to inform you about the next meeting of the MuTaLig COST Action CA15135. After the good start in Lugano, collaborations among our research teams have started or are considered. The purpose of the next meeting is to focus on specific issues related to each working group. Its title clearly indicates the link with the scientific paradigm introduced by Paul Ehrlich. So, considering the availability of Prof. Mátyus Péter (Semmelweis University, Budapest) to organize it, as already announced in Lugano, we have fixed the conference for two days: **November 19th - 20th 2016**. The location is the Hotel Novotel Budapest Danube, centrally located in the beautiful Hungarian capital.

The WG meeting participation is free (no fee), but limited to 100 participants that must be registered contacting the mutaligcostaction@gmail.com by **September 30th 2016**. The participants can apply for short talks and poster communications by filling and sending the abstract form to mutaligcostaction@gmail.com by the same deadline. Participants must indicate which WG (from 1 to 4) they select for their abstract submission. The acceptance of the scientific contribution as talk, that should be strictly pertinent to one of the WG goals of COST Action, will be communicated by **October 12st 2016**, when the final program is released. Other contributions can be accepted as poster communications.

This announcement and its updates will be published also on MuTaLig web site www.mutalig.ue.

Looking forward to your participation, I hope to meet you in Budapest!

Best regards

Catanzaro, September 13th 2016

Prof. Stefano Alcaro
CA15135 COST Chair
