POLY-PHARMACOLOGY EXPANDING PAUL EHRLICH'S MAGIC BULLET CONCEPT

Dear Colleague,

it is a great pleasure to me informing you about the updates of the incoming Budapest meeting. An intensive final program has been defined. You can find it browsing our MuTaLig portal www.mutalig.eu/actions-meetings/ in the action-meeting section. It is based on 4 plenary communications, 22 oral talks, a conclusive round table, poster and flash communication sessions. Flash communications (5 min) will be selected on site from posters mostly pertinent to the topic of the WG meeting.

We have already collected more than 25 poster abstracts, but it is still possible to contribute with additional **poster contributions** sending to mutaligcostaction@gmail.com within the **deadline of October 20th** an abstract using the template available at www.mutalig.eu/actions-meetings/ under the Budapest page. The final poster list, with the indication of the size, will be released on October 26th along with the book of the abstracts.

The venue is the Hotel Novotel Budapest Danube, centrally located in the beautiful Hungarian capital.

Additional information about the room booking at the Hotel will be released in the few days also at the above mentioned MuTaLig web site.

Looking forward to your participation, I hope to meet you in Budapest!

Best regards
