

**MuTaLig COST ACTION CA15135**  
**Annual meeting 2018 -**  
**Valletta (Malta), October 18-19 2018**

**First Circular - 3<sup>rd</sup> Annual meeting - MuTaLig COST Action October 18-19 2018**

## **“MuTaLig & Companies: the multi-targeting drug discovery with implications at industrial level”**

**University of Malta - Campus Historical building - Saint Paul street, Valletta (Malta)**

Dear Colleague,

It is a great pleasure for me to inform you about our third annual meeting that will focus on the involvement of industrial partners in the MuTaLig COST Action. Experts from known EU companies will be invited to depict the impact of the multi-targeting drug discovery issue and to give their contribution in the development of this field. In particular, the following items will be developed in sessions related to specific complex pathologies, such as cancer and neurodegeneration, to synthetic or natural multi-targeting compounds and to the repurposing opportunity. All MuTaLig community will be involved to push their activity toward the application, possibly at industrial level.

Thank to the availability of Claire Shoemake and David Magri, our two MC Malta Members, to organize it, we have fixed the conference for two days: **October 18<sup>th</sup> - 19<sup>th</sup> 2018**. The location is the historical University building, within the beautiful center of Valletta, recently nominated 2018 European Capital of Culture. The meeting participation is free (no fee), but limited to 125 participants that must be registered contacting the [mutalig.malta@gmail.com](mailto:mutalig.malta@gmail.com) by **July 30<sup>th</sup> 2018**. The participants can apply for short talks and poster communications by filling and sending the abstract form to [mutalig.malta@gmail.com](mailto:mutalig.malta@gmail.com) by the same deadline. The acceptance of the scientific contribution as talk, that should be strictly pertinent the topic of the annual meeting, will be communicated by **August 31<sup>st</sup> 2018**, when the final program is released. Other contributions can be accepted as poster communications. All updates will be posted at [www.mutalig.ue](http://www.mutalig.ue).

Looking forward to your participation, I hope to meet you in Malta!

Best regards

Catanzaro, June 7<sup>th</sup> 2018

  
Prof. Stefano Alcaro
