

MuTaLig COST ACTION CA15135
3rd WG meeting 2019
Paris (France), February 23-24 2019

First Circular

3rd WG meeting – MuTaLig COST Action

Faculté de Pharmacie de Paris, Université Paris DESCARTES, February 23-24 2018

Activities of young investigators within the WG MuTaLig COST Action

Dear Colleague,

It is a great pleasure for me to inform you about the next WG meeting of the MuTaLig COST Action CA15135. Its purpose is to focus on the young investigators' research activities currently in progress within our four Working Groups. So, considering the availability of Prof. Luc Demange (Université Paris Descartes, Paris, France) to organize it, as already announced in Malta, we have fixed the conference for two days: **February 23th - 24th 2019**. The location is the Faculté de Pharmacie, Avenue de l'Observatoire, in the center of the French Capital. The WG meeting participation is free (no fee), but limited to 125 participants that must be registered contacting the organizer by email at mutaligparis2019@gmail.com by **December 20th 2018**. The participants can apply for short talks and poster communications by filling and sending the abstract form within the same deadline. Participants must indicate which WG (from 1 to 4) they select for their abstract submission. The acceptance of the scientific contribution as talk, strictly pertinent to one of the WG goals of COST Action, will be communicated by **January 7th 2019**, along with the final program. Other contributions can be accepted as poster communications. This announcement and its updates will be published also on MuTaLig web site www.mutalig.ue. Please note that this meeting is organized in the same location and back-to-back with the XVIth Young Research Fellows Meeting, organized under the auspices of the French Medicinal Chemistry Society (SCT) and bringing together more than 300 young investigators in drug discovery. YRFM registrations and infos: www.sct-asso.fr/yrfm.html. **Importantly, people registered for the COST Meeting are invited at the Friday (February, 22th) afternoon session of the YRFM (no fees).**

Looking forward to your participation, I hope to meet you in Paris!

Best regards

Catanzaro, November 23rd 2018

Prof. Stefano Alcaro
