Final status of WG activities within the MuTaLig COST Action

Dear Colleague,

It is a great pleasure for me to inform you about the next meeting of the MuTaLig COST Action CA15135. This is particularly important because it concludes the series of the meetings of our COST Action. Therefore I warmly encourage all MC members, substitutes and young investigators involved during the four years to participate. So, considering the availability of Prof. Günay Yetik Anacak (Ege University, Faculty of Pharmacy, Department of Pharmacology, Izmir-Turkey) to organize it, as already announced in Catanzaro, we have fixed the conference for two days: **March 5th - 6th 2020**. The location is the Ege University, Faculty of Pharmacy, Bornova in the city of İzmir, Pearl of the Aegean. The WG meeting participation is free (no fee), but limited to 125 participants that must be registered contacting the **mutalig.izmir@gmail.com** by **January 6th 2020**. The participants can apply for short talks and poster communications by filling and sending the abstract form to **mutalig.izmir@gmail.com** by the same deadline. Participants must indicate which WG (from 1 to 4) they select for their abstract submission. The acceptance of the scientific contribution as talk, that should be strictly pertinent to one of the WG goals of COST Action, will be communicated by **January 27th 2020**, when the final program is released. Other contributions can be accepted as poster communications. This announcement and its updates will be published also on MuTaLig web site www.mutalig.eu. Looking forward to your participation, I hope to meet you in Izmir!

Best regards and Merry Christmas!
